Dear Randy,

I've been so immersed in the book I'm doing on Mailer, tentative working title Mailer's Tales, of the JFK Assassination, I forgot to let you know when I finally got a few copies of NEVER AGAIN! If you do not have it and are not in a hurry to read it I'll send you one. But I have so few copies I want to avoid duplications to make them go as far as possible. Please let me know if you want me to send one to you. I also have the index that was not printed by accident. I'll enclose it.

I do think you'll want to read it.

I've sent Roger a copy.

Best,

Harold
